

Administrators!

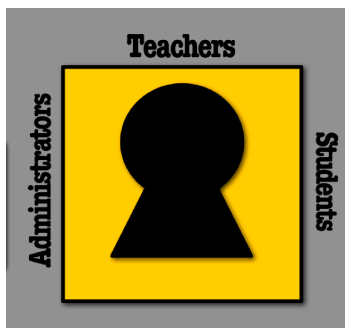

Do you want to:

- **improve test scores** with research-based strategies?
- **decrease class sizes** through collaboration?
- have a **technology specialist** on staff?
- have a person with **cross-curricular expertise** at *all* levels?
- have an on-site **expert at giving professional development**?
- have a **community builder**?

Look no farther than your school librarian.

Librarians are the **KEY** to *your* school's **SUCCESS**.
